How to Make Babies Sleep Fast and Sound

Got a newborn in the house? No matter how adorable they may be, when babies start crying just when you're falling asleep or right in the middle of the night or maybe in the wee hours of the morning, you just can't help the frustration and anger at the situation from arising, even just in your head.

How can you work the next day? How can you achieve full success or unveil your full potential if you're all sleepy and sluggish at work? How can you make lots of money for your baby's future if the adorable little one won't let you sleep at night? And most of all, how can you enjoy playtime with your new baby if you lack rest and can fall asleep at any time?
